GLOBAL DISCIPLES
Go Deep Go Wide

APRIL 2022

'He is not here; He is risen!'
Luke 24:6

I have had an incredibly busy, but enjoyable month in March!

I had many meetings, visited some Early Childhood centres in Southern province, and did some lecturing at Justo Mwale University to the students for the ministry. We have had meetings to start the process of a strategic plan for Sunday School and the Christian Youth Fellowship, so its all very exciting as we look forward to how the Synod wants to incorporate young people.

The school calendar has been adjusted because we started two weeks later than anticipated in January, so schools will not close until 22 April. This is a challenge for me as I had planned a week of teacher training the week before Easter which may not be possible now.

The Church of Central Africa Presbyterian (CCAP) Synod of Zambia is having a spiritual retreat for all serving ministers during the last week of April. I have been involved in the planning for this over the past couple of years. It was supposed to take place in 2020, but due to Covid-19 it has been postponed twice. I have one session to take at the retreat on rest and relaxation, (I think I need to tell myself how to do that!). Something to look forward to.

Thank you for your continued support.

Prayer points

- Give thanks for the opportunity to teach at Justo Mwale University and for connections made with different Christian denominations within Zambia.
- Pray for the leadership of the Synod as they plan and implement the spiritual retreat for the ministers, that it would be a refreshing, restful and renewing time for everyone involved.
