Andamio Kids Publishing is thrilled to have two more kid's books going to print. The books are a great resource and part of a series written by CCEF (Christian Counseling and Educational Foundation). The series addresses various emotions and issues that kids face and help them to navigate those emotions and situations from a biblical perspective. They are aimed at 4-7 year olds. The first two that Andamio kids is publishing are: "Buster tries to bail: For when you are stressed" and "Buster's ears trip him up: For when you fail". Pray that God would use these books to help Christian families guide their children from a biblical foundation to navigate the various emotions they face.

GBU (student ministry – both university and high school) have a busy month ahead with preparation for the summer camps. Pray for the leaders as they prepare talks and seminars for the young people, that God would give them clarity and wisdom as they seek to disciple these young people. Pray also for the student groups in schools and universities as they finish up for this academic year, that they would glorify God in their studies and seek to continue serving him during the summer months.

GLOBAL DISCIPLES *Go Deep Go Wide*

JUNE 2023

One-to-one discipleship: this is an important ministry in both Sarriko and BIC. Pray that people would be built up in their faith through these bible studies and that it would also help prepare people for various leadership roles within the church. In BIC Sunday services we are looking at "The Great Commission" in Matthew 28 "Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all that I have commanded you. And behold, I am with you always, to the end of the age."

Prayer Points

- For the publishing of the two kid's books dealing with everyday emotions, that these books would help encourage and guide little ones in their walk with God.
- For the GBU summer camps, that God would give clarity and strength in the preparations and planning.
- For one-to-one bible studies, that God would equip his people to serve him and share the Gospel with their friends, family and colleagues.
