

Diane Cusick

Location: **Lusaka, ZAMBIA**

Mission: **Early childhood education**

'Wait for the Lord; be strong, and let your heart take courage; wait for the Lord'

Psalms 27:14 (ESV)

I arrived in Ireland at the end of February, hoping that I would be able to have some medical advice after having a scan in Zambia a week before which showed some abnormalities. Since my return, I have not yet seen a doctor in person but have spoken to one on the phone. I feel as if I am in limbo as I feel well enough to work but yet I know I need to have a medical check-up.

However, it has been wonderful to be able to do some work from home. In Mazabuka, work on the toilet block will start after the Easter celebrations. This is wonderful news for the ECD centre and for the church community as they never had toilets. I am thankful to all who have contributed towards the toilets and hope that soon I will have a picture of the completed toilet block!

GLOBAL DISCIPLES
Go Deep Go Wide

April 2024

In the Copperbelt province of Zambia, we did not have any ECD presence as a church. Now, we are beginning to build an ECD centre in Kabushi, beside one of our CCAP churches. It is in a compound where there are many children with no access at all to any form of ECD, so this is a great development in the community. Please pray that we find enough funds to be able to finish this project to benefit our children in the area.

Thank you for your continued support. Keep updated with my life and work by checking my blog...www.dianecusick.blogspot.com

Please pray:

- For Diane as she continues to wait to see a doctor regarding her medical issue. Please pray that she may see someone in person soon or at least be able to speak to one of the consultants on her medical team. Pray for patience and peace as she waits.
- Pray for the ministers in Mazabuka and Kabushi congregations as they oversee the projects of building a toilet block and an ECD centre. Pray that both projects will be done well and quickly to relieve the problems in each community.
