Mission: **Outreach ministry and children's ministry and teaching**

JULY/AUGUST 2023

This summer we will be joining folks at the Gypsy mission for camps and summer outreaches in the Hajdu and Bihar regions of Hungary. We look forward to working together in children's and youth football camps and a youth festival. Our first camp is in Bodaszőlő with 69 children registered, where we will be studying through the book of Jonah.

We are thankful for a good end to the school year in the Diakonia children's programs and in a few locations summer programs will be running in August. In Szilagypercseeny now two members of staff are on sick leave, please pray for one staff recovering from major surgery and another who has been diagnosed with a serious illness.

In late June our home church, Tokoz Reformed church in Cluj has had the joy of calling and installing two new ministers to serve in the team. Szilveszter and Csilla Banto-Tamas and their four boys are settling in well. We pray for joy and strength as they make new relationships, grace to complete the tasks God has for them and a close walk with the saviour.

Prayer Points

- As summer camps and outreaches take place, please pray for the leaders and volunteers, for work and growth together in unity.
- Pray for each child and young person attending the Bodaszőlő camp on July 3-7, that they will understand that like Jonah, we too need God's rescue.
- Pray for the Gypsy mission football tournament on 8 July, and football camp for boys and girls on 31 July – 5 August. Pray for safety and health, for fair play, good sportsmanship and a clear gospel message through each testimony and talk.
