'May the God of hope fill you with all joy and peace in believing, so that by the power of the Holy Spirit you may abound in hope.'

Romans 15:13

Thank you for your continued support of my recovery. I am still doing well although I overdo it sometimes at the gym and then suffer for some days! I am trying to pace myself but it's difficult when I feel well!! I have another meeting with the consultant in May to see the way forward and I continue to pray that I will be able to go back to Zambia soon.

I am currently attending an Early Childhood conference virtually, which is happening in Zambia. I was supposed to be one of the speakers but unfortunately it was not possible while I am still here so I hope next time I will be given another chance. Of course I am disappointed but thankful that I can still join virtually!

GLOBAL DISCIPLES
Go Deep Go Wide

APRIL 2023

Teachers continue to work well in the CCAP Early Childhood centres. Just like here, there are severe economic challenges in Zambia which makes it very challenging for the teachers who receive very little income from our centres. They only receive something at the end of the month if parents have been able to pay something to the centre. This time of year is always difficult as it is before the harvest and people do not have any surplus food at home.

I am still planning to do some work with teachers during the Easter holidays – this will be done on Whatsapp if it works!!

Thank you for your continued support. Keep updated with my life and work by checking my blog...www.dianecusick.blogspot.com

Prayer Points

- Give thanks for Diane's continued recovery and continue to pray for her strength physically and spiritually.
- Pray for teachers of Early Childhood in Zambia as they struggle to survive on little income at this time of year. Pray that the work with the teachers during the Easter holidays will be a success.
