Location: **Lusaka, ZAMBIA**

Mission: **Early childhood education**

'He gives strength to the weary and increases the power of the weak.' Isaiah 40:29

Thank you for the continued support of so many in prayers, messages, phone calls and for those who have visited me too! I have been really blessed by your kindness and love.

I had an operation in December and am continuing to gain strength each day. Recuperation will take some time but I am thankful to have the time! After the operation I could not lift my camera and I could see so many beautiful images during the frosty spell but couldn't take photos! Using a phone is not the same. I have to admit I am becoming weary of this illness but I try as much as possible to be upbeat about it all!

GLOBAL DISCIPLES
Go Deep Go Wide

FEBRUARY 2023

The teachers who I am involved with in Zambia continue to do their work without complaining! The only complaint is that I am not there. It is encouraging that we have many children attending our ECD centres as parents begin to have faith in learning through play. It is incredible that with today's technology I can be in touch with teachers in really rural areas of Zambia.

I am incredibly grateful to Rev Sevatt Kabaghe our General Secretary in Zambia, and other colleagues for dealing with Early Childhood issues and also dealing with some personal stuff too while I am in Ireland.

Prayer Points

- Give thanks that Diane has had the operation, it was successful and she is well on the way to recovery. Continue to pray for her physical well-being as well as her mental well-being as she struggles with the weariness of it all.
- Give thanks for the health personnel who are very supportive to Diane as she goes through this experience.
- Pray for the teachers in Zambia that they may feel encouraged and have the confidence to teach the children through play, and also to teach them Christian principles.
