*‘Those who hope in the Lord will renew their strength’  
Isaiah 40:31*

I continue to be blessed by the support of so many of you in prayers, messages, visits and phone calls. Thank you so very much.

I have had a good month – I continue to gain strength and attend a gym three times a week to build up my physical strength again. I am enjoying it and am amazed at how much improvement I see from week to week. I hope and pray that I will soon be strong enough to resume my service in Zambia.

I have been able to do some work virtually with Zambia and am excited to see how teachers continue to work hard. Attendance in our church based Early Childhood Centres continues to rise. However, in some areas there was severe flooding and homes were damaged and some children not able to go to school because of fast flowing rivers, many of which burst their banks. Rainfall has been extremely heavy this year. Cholera has once again affected some communities too.

### MARCH 2023

I am thankful that the CCAP Synod of Zambia continue to support my work even when I am absent. I am hoping to be able to have online teaching with the teachers in their Easter holidays.

Thank you for your continued support. Keep updated with my life and work by checking my blog...[www.dianecusick.blogspot.com](http://www.dianecusick.blogspot.com)

#### Prayer Points

- Give thanks that Diane continues to improve physically and for the spiritual support she receives from Malone congregation.
- Continue to pray for the teachers in Zambia that they may feel encouraged and have the confidence to teach the children through play, and also to teach them Christian principles.
- Pray for Rev Sevatt Kabaghe and his leadership team as they help the CCAP Synod through some challenging times in the country.
