Location: London, UK

Mission: Pastoral ministry and church planting

Greetings from London,

In the month of February and part of March, we were in Kenya where we had time to be with our family and friends. During the same time, Edwin took several days to represent the Men Fellowship in the PCEA 50th anniversary of the Presbyterian Men Fellowship international conference, which was taking place in Nairobi in the last week of February.

We also took time to visit several congregations where we were given an opportunity to bring greetings and also tell of our work in the UK.

Since we returned, we have had a chance to visit and fellowship with Reading, Luton and London congregations.

During the forthcoming Easter break, we expect to have catechism classes for the young people. This is to prepare them to be communicants. The classes will be held on zoom.

On the 6th of April, the members of the ladies' fellowship from all our branches will be travelling to Birmingham for a seminar. This is also meant to encourage members at Birmingham, and also to prepare for the woman's guild commissioning expected to take place in June.
