GLOBAL DISCIPLES
Go Deep Go Wide

September 2023

Glory to God for most of the events that were Scheduled for July and August went on well.

In the coming month of September from 4th to 9th, Anne and I will be in Scotland for a short break. During that week we expect to be in Glasgow but will visit Edinburgh for a day.

In Glasgow, we expect to attend The International Ageing conference on 7th and 8th.

The month of September is when the Presbyterian Church of East Africa (PCEA) observes its Mission week. The 10th will be the day when mission Sunday will be observed throughout the wider PCEA.

Last month, eight youth people went through a Catechism class. Their confirmation and admission to the Lords Table is scheduled to take place in September at their respective congregations.
