Wednesday 8 June

The Andamio Kids Committee (the kids department of GBU publishing branch) are meeting to follow up on planning for the translation and publication of kid's literature. These meetings are important in terms of deciding which books to translate and how GBU can best resource churches throughout Spain and the wider Spanish speaking world.

This summer Bilbao International Church will resume their 'Church in the Park' services on Sunday evenings. The idea originated in the summer of 2020 due to the Covid restrictions in place at the time and the church has found it such a positive time (particularly for families) that this will now be their third summer of these special services. There will be several visiting speakers for these services.

Sunday 24 to Sunday 31 July

GBU (university ministry) have their national summer camp in Monteolivos, Córdoba. Michael Ots is the guest speaker and will be giving talks based on the gospel of Mark. Michael is an evangelistic preacher and author of several books. The main focus of his ministry is to students. The aim of the camp is to equip students to be and make disciples on campus. There are also various seminars, such as 'Faith and Work' and 'Faith and Culture'. There will be special workshops addressing issues such 'Politics: Thinking and participating in society from a biblical perspective' and for students in their final year 'Changes: making the transition from university to the workplace.'

Sunday 24 to Sunday 31 July

GBE Camp (high school ministry) for 12-18 year olds takes place in Albacete and the theme of the camp is 'A Living Hope'. The guest speaker is Josué Enfedaque, a pastor, author and Youtuber.
