SEPTEMBER 2022

be involved in various ministry needs, such as local church ministry, GBU (university) and GBE (high school) ministry.

Sarriko church youth weekend will take place at a campsite near Burgos from 16 to 18 September. The teaching during the camp will be focused on putting faith into action. This is a key camp for the young people as they return to school.

September is always a month of "beginnings"! Pray for the university students who are beginning a new semester. Pray that many GBU groups (student ministry) would resume with a renewed enthusiasm for growing in their faith and sharing the good news of Christ on campus and that they would put into action what they learned at the camps during the summer.

Bilbao International Church also resumes many of their regular activities this month after a short summer break and many return to the Basque Country after visiting families during the summer months. Give thanks for a new family that have joined the church. They are very enthusiastic and keen to become involved in the life of the church and they have three young children, so that is very exciting for the Sunday School! The church also has a need for more Sunday school leaders.

Andamio Kids Publishing team have a meeting on Tuesday 27 September to focus on books that will be published in the next two years. So far, in 2023 they hope to translate and publish Christmas and Easter toddler books by Steph Williams. Pray that God would use these wonderful resources to reach the hearts and minds of kids throughout Spain and the Spanish speaking world.
