Location: **Bilbao, SPAIN**

Mission: **Student ministry**

Saturday 1st May: A special one day conference is being held in Zaragoza for churches in the North of Spain. There will be various talks and workshops based on the theme "Following Jesus". The main speaker is Raquel Molina Becerra. There will also be a special youth and children's programme. Pray that it will be a beneficial time of teaching and fellowship.

Saturday 6th May: Bilbao International Church Hike and Picnic. This is a good evangelistic event and church members are always very faithful at inviting their non-Christian friends. It provides a good opportunity to have important conversations and strengthens the community of believers as well.

Sunday 7th May: Sarriko and BIC are holding a special service called "Day of the Christian Home". The aim is to encourage families in their walk with God as a family and raising their children faithfully in the ways of the Lord. The children's choir will be taking part in the service and other members of the congregation.

Wednesday 31st May: Andamio Kids Publishing Committee have a meeting in Barcelona to discuss future publications and strategies. Pray for wisdom in selecting good resources and for clarity in the goals and vision of the kid's literature as they seek to equip the churches throughout Spain and the Spanish speaking world.

GLOBAL DISCIPLES *Go Deep Go Wide*

MAY 2023

At Bilbao International Church and Sarriko there is a need for 2 interns, ideally beginning this September. The aim is to work alongside both churches and to help out with GBU in the Basque Country. Pray that God would provide 2 workers that would be a good fit for the ministry team here in Bilbao.

Pray for more people to come to know Christ in BIC and Sarriko and for stronger commitment amongst those who come along to church.
