SEPTEMBER 2022

The month of August has been spent with a mixture of medical check-ups (at Healthlink over in Edinburgh), debrief, and spending some relaxing time catching up with family.

I was able to enjoy some of the heatwave weather here in Ireland and I even managed to wear my shorts and have a '99 ice cream'!

Deputation meetings start in September and I am looking forward to catching up with many of you and sharing what God is doing in Brazil.

Sorry if you didn't manage to book me for a meeting near you this time as I am completely booked out for the whole month.

Prayer points

For Brazil:

- Give thanks for the 'Father's day' event in August with the fathers of the Good News Club children.
- Continue to pray for the Reading Room and Good News Club activities and for the volunteers of Beberibe congregation with whom I have left a 'homework' of a book to read on evangelism.

For Ireland:

- Give thanks for a restful family time before starting meetings in September.
- Pray that all the deputation meetings and training events will be an encouragement to both myself and the various congregations.
