Location: **Olinda, BRAZIL**

Mission: **Church-based community development and evangelism**

I arrived safely back in Brazil, to a lovely dusty dirty house, no internet or phone lines working for 5 days but I was so thankful with the heat. that I had running water unlike the rest of the neighbourhood, who were without water for almost a week.

When I arrived, Rosa (the Good News Club leader) informed me that the Reading Room had been broken into again and data projector, sound system, fans etc. all stolen. They left the books!!

This time the community banded together, found the culprits with the help of the local drug mafia and returned most of the stolen material!! As Rosa says the whole experience was like something from a film!!

We are thankful to have the equipment back again and were able to use it to have a cinema day with the children during the month of October which they enjoyed even though the sound system gave us a few problems. Probably due to being carried out by the culprits through the roof of the Reading Room.

Preparations are being made for a day trip for the children in November and we have managed to get a free bus for the day so everyone is looking forward to it.

Preparations are being made for the street evangelism events in both Beberibe and Peixinhos planned for Christmas time.

**NOVEMBER 2022**

The Good News Club children are going through a series of booklets on 'Who is God?' and in November will start the next series on 'What is The Bible?' I hope to have several training sessions with the volunteers who teach the material and also to continue the training sessions on 'The Biblical Principles of Teaching' using Sam Doherty's book.

### Prayer Points:

- Give thanks for safety in travelling back to Brazil and also for settling in again.
- Give thanks for the cinema day at the Reading Room and pray for safety for the day trip away planned for the children on the 16th November. (We hope to take around 50 children)
- Pray for the training sessions with the session and leaders of the congregation of Beberibe on 'Biblical Principles of Teaching.'
- Pray for the preparation of material for evangelistic events and outreach activities with families, the football group and Coffee with God studies amongst the poor communities.
- Give thanks that my dad is out at the moment with me and pray that we will be able to have some relaxing time together.
