Location: **Olinda, BRAZIL**

Mission: **Church-based community development and evangelism**

The month of September went very quickly with lots of deputation meetings around Ireland including many training sessions in which together we looked at different ways of 'Going Fishing' both in Brazil and Ireland.

I was really encouraged by the prayers and support from so many of you whom I had the privilege of sharing not only what God is doing out in Brazil but also hearing of how God is working here in Ireland. I also enjoyed having fellowship with you all.

As I plan to head back to Brazil in early October, I am greatly aware of your continued prayers as I head back out and settle in to life and work in Brazil again.

October is a busy month in Brazil with; preparation of the Coffee with God Bible Studies, training sessions with the volunteers in Peixinhos of the Good News Club, training sessions with the Sunday School teachers of Beberibe (All-age Sunday School) and also the Football Evangelism.

Prayer Points:

- Give thanks for safety in travel around Ireland and for the real encouragement of meeting up with so many of you.
- Pray for safety in travels as I head back to Brazil.
- Pray for all the plans for evangelistic activities around 'Children's Day' (12th Oct) and also for the Brazilian Elections.
- Pray for the training sessions with the session and leaders of the congregation of Beberibe on 'Biblical Principles of Teaching.'
- Pray for the preparation of material for evangelistic events and outreach activities with families, the football group and Coffee with God studies amongst the poor communities.
