“That we may be mutually encouraged by one another’s faith” Romans 1:12

Mutually Encouraged

This week, I’ll be attending the Kenya Mission Conference organised by our partner church – the Presbyterian Church of East Africa (PCEA). This conference takes place once every three years and is a gathering of international ministry partners, mission workers and presbyteries. Rev Uel Marrs will be joining the PCI team on the ground. It is hoped that through worship, conversation, mutual learning and encouragement, the fellowship will be strengthened.

The Theological Education by Extension (TEE) chat group continues to be a source of encouragement for the coordinators and the department. Fresh news and photos are regularly posted and appreciated.

GLOBAL DISCIPLES
Go Deep Go Wide

FEBRUARY 2023

On Sunday 22nd January, Evergreen PCEA church had 25 teens graduating, while 8 students received their diploma in the Holistic Nurturing of Children. At PCEA Bahati, a further 30 teens and 22 adults graduated. Meanwhile, during PCEA High Level Church’s graduation ceremony, 40 new TEE students were recruited. With graduations and new groups forming every week, we have good reason to celebrate God’s blessings on this ministry.

Travel plans are now in place for me to return to Ireland in March for a short period of home assignment. Due to delays (brought on by the pandemic restrictions) it has been four years since I was speaking in congregations at home. I’m looking forward to this opportunity and hope that we can strengthen, encourage and spur each other on through the sharing of our stories of faith.

Please feel free to contact the office if you would like to request a weekday booking.

Thank you for your prayerful support, Naomi

Prayer Points

- Pray for the PCEA Mission Partners’ Conference to be held on 1st – 4th February. Remember the team of PCI missionaries based in Kenya and the Rev Uel Marrs (Global Mission Secretary) as they attend.
- This month, there will be the official launch of the first Bible Study Guide (on Politics and Civic responsibilities). Thank God for this and ask for his leading as the TEE writers continue working on the second guide book on music. Note: our next meeting will be on Wednesday 8th February.
- Ask for God’s grace and help in all the preparations needing to be done before my home assignment in March.
