www.thegoodbook.co.uk/play-through-the-bible

Play through the Bible is designed for parents of young children to explore some of the stories of the Bible together while having fun playing together.

There are also many of the ideas that could be easily replicated with a group of children in a crèche or preschool Sunday school class.

The book contains over 140 activities to explore 20 of the stories in the Gospel of Luke.

The stories included are:

1. Here comes Jesus (Luke 3:15-22)
2. Jesus in the desert (Luke 4:1-13)
3. Jesus makes lots of people better (Luke 4:40-44)
