“You will be His witness to all people of what you have seen and heard.” Acts 22:15

It is not always easy to convey how wonderful someone is – especially when that Someone is the most loving, gracious, tender and merciful Someone ... EVER!

To this One, we want to bring all glory and so, during September, we have been visiting with different church families and sharing a little of what we have seen and heard – especially relating to our Father’s work amongst the beautiful Maasai people – and, hopefully, communicating how wonderful our Beloved is.

We give thanks to our Father for this opportunity to witness, to listen and to be encouraged and blessed by our wider church family. To be assured of continuing prayer for God’s work in Maasailand is of special delight and we thank our LORD for placing His work on His children’s hearts to carry, and labour for, in prayer. It is such a privilege to go into battle, where reality can be harsh and the travail oftentimes unyielding, with those whom our LORD has trained through their everyday situations to engage in the conflict within the heavenly realms.

GLOBAL DISCIPLES
Go Deep Go Wide

OCTOBER 2022

October, God willing, should see us in Maasailand, though the absence of any of our children in Kenya will be notably different and acutely felt. But our heartfelt desire is to do the will of our Beloved LORD and to bring Him glory.

As we step into the unknown with the One who is all-knowing, we desire that He will lead and guide us in His perfect will, and that in all things we will obey His Holy Spirit and walk in His way, doing the good works that He has beforehand prepared. Will you please pray with us about these things? Oh, how we thank you and bless and praise our Father for His answer.

There are some projects ongoing, including helping at one of the local government primary schools, and we need our Father to help and guide in relation to their completion.

Prayer Points

- Please pray for the Mission Steering Committee as we seek to know our LORD’s will and His leading and guiding in all that is carried out.
- Remember the church families as they continue to grow in the knowledge of our LORD and Saviour and pray that they will be bound together in love, through God’s Holy Spirit, being gracious and compassionate one to another.
- Please remember our children as we are again apart from them, including our youngest who has started a new chapter in his life, attending university, and our daughter starting a new job working with youth. Please pray that they will grow deeper in their love and knowledge of our Beloved and walk in His will.
