

Naomi Keefe

Location: **Olinda, BRAZIL**

Mission: **Church-based community development and evangelism**

With temperatures of over 30 degrees celsius the summer has definitely arrived here in Recife.

We hope to take the children and teenagers who have been borrowing books from the Reading Room during the pandemic to a book fair later this month, so that they can choose some books for themselves. We hope this will encourage them to continue reading and also be an incentive to others who have missed out as they haven't been as keen to borrow books over the pandemic period.

Plans have been made for the Evangelistic Street event at Christmas by the Good News Club children and they are practising some of the sketches and songs. The theme this year is "The Dragon versus the Baby – Whose side are you on?" based on Revelation 12's account of the birth of Jesus.

Beberibe are planning to hold an evangelistic event for the first time in a nearby condominium block. We hope to use the M&M's sweets to share the 'Message of Messiah'.

This will be a new strategy of evangelism for the congregation of Beberibe.

'Message of Messiah' kit

GLOBAL DISCIPLES
Go Deep Go Wide

NOVEMBER 2021

Time to relax

Prayer points

- Pray for all the details and that everyone involved in producing fliers, preparing the M&M kits to be handed out, the choir, drama sketches etc will all come together. The congregation as a whole are getting really excited about trying this new strategy of reaching out with the Good News of the 'Message of Messiah' to their community.
- Give thanks for health and safety and for a relaxing time away from the city at the beach with my dog with lots of walks.
- Pray for preparation of evangelistic events at Christmas time both in Peixinhos and in Beberibe.
- Pray that God would prepare the hearts of the folks who come along to listen.
- Pray for registration of new children in Peixinhos to the Good News Club for the start of the new year.
- Give thanks for one of the teenagers of the Good News Club who was recently baptised in the local Pentecostal Baptist congregation in the favela community. Pray that she will continue to grow in her faith.
