

Gospel Project for Kids www.gospelproject.com/kids

This is a Bible study resource that shows how Christ fits into the entire gospel story, pre-creation to eternity and where each one of us fits into it, too. The three-year chronological timeline ensures that no matter when you jump in, you won't miss a thing.

The Gospel Project for Kids is a Christ-centered Bible study resource that follows a chronological timeline of Bible events - presenting the story of redemption through Jesus like kids have never seen it before! Each week, these stories come to life through video, music, activities, and more.

The 3-year chronological teaching plan is for Preschool, Younger Kids and Older Kids.

Each lesson includes:

- Videos that bring Bible stories to life
- Music for all ages available
- Coloring pages for Preschool and Younger Kids
- Fun-filled activity sheets
- Hands-on activities
- Low-prep lesson plans
- Customizable parent resources
- Additional hour of worship resources available

This is a great resource option for teaching children about the Bible in the context of the story of the whole of Scripture. It is American though and may require a little adapting for use here but has good teaching material and so this effort would be worthwhile.
