'Be cheerful no matter what; pray all the time; thank God no matter what happens. This is the way God wants you who belong to Christ Jesus to live.'

1 Thessalonians 5:8 (MSG)

At last, I have arrived in Lusaka after a break of 16 months. I am truly thankful to be here although it is extremely hot and dry with temperatures daily in the mid 30's and its intense heat! I will get used to it in time. It is really good to be back in my African home although there was a lot of dust and dirt to clean during the first few days! Also, I am thankful that a battery pack in the drawer of my desk did not explode and start a fire as it had burst open! It has been great to catch up with friends and colleagues.

GLOBAL DISCIPLES
Go Deep Go Wide

October 2023

I am starting work in October which has given me a chance to settle in again and think about where I left off and where I want to begin! Already I have had a few meetings with the General Secretary and the CCAP Synod are very glad that I have returned to resume my service.

I hope in the next few weeks to be able to visit a couple of schools in Southern province to give them some encouragement and see how they are getting on! While I am looking forward to beginning work again, I know that I will have to pace myself as my energy levels are not quite what they used to be!

Thank you for your continued support. Keep updated with my life and work by checking my blog...www.dianecusick.blogspot.com

Please pray:

- Give thanks that Diane is safely in Zambia again. Pray that her health will remain good and that she will be able to source the necessary medication here in Zambia (She currently has 6 months' supply).
- That Diane will be able to pace herself as she returns to her duties in Early Childhood Development.
- For planning and preparation for the months ahead.
