

Csaba and Ilona Veres

Location: **Cluj, ROMANIA**

FEBRUARY 2020

Mission: **Outreach ministry and children's ministry and teaching**

The Christmas tree and lights have long been taken down, but it is our prayer that as we launch into the second term of the school year in the children's ministry in Méra the light of the gospel will continue to shine.

Our weekly good news club began the year looking at the inspired Word of God and its importance in our lives. Niki, a third grade girl told of how God spoke to her through last year's series on the 10 commandments and how she is continuing to seek to follow Christ. We pray for Niki and others like her as they walk with Christ and take this message to their homes.

International Cyber Safety day is on 11 February, and this a great opportunity for us to do some clear teaching on cyber safety, bringing challenge on what children are viewing, and at the same time helping the children to find and use online Bible resources which will encourage them in their walk with the Lord. On the evening of 11 February we will hold a special seminar for parents to discuss internet safety, taking time to encourage and help them to get access to the Bible app or audio Bible reading material, for those with limited literacy.

We praise God for the Dorcas group, women's fellowship which meets each Monday evening and for their keenness to receive Biblical teaching, advice and practical help. We pray for a hunger for God's Word, and for parents and children to get into the habit of daily Bible reading or audio daily devotions.

Going Deeper, Going Wider is an evening event on 25 February in Assembly Buildings. Bryan Knell will encourage and envision anyone interested in helping their congregation become more involved in global mission. For more information and booking visit: www.presbyterianireland.org/Events/

Prayer points

- Pray for a hunger for God's Word among the Roma giving thanks that his Word transforms (Isaiah 55:11).
- Give thanks for the first public water supply in Méra, at present flowing in several communal taps in the village, but later in the Spring to be connected to each household.
- Give thanks for the repair of the wood burning boilers in the Diakonia which disrupted ministry for some time in December and early January.
- Pray for continued partnership opportunities among the churches and missions in Méra, for God's guidance as we work together to see Roma come to Christ.
