Remember the game? Play it anywhere, anytime with almost any age. It can be a two minute game filler or an afternoon of family fun captivating even the youngest child's attention. Flipping, flying coloured discs, furious scrambles after lost 'winks' and triumphant laughter as a child beats an adult again! Welcome to Tiddlywinks...resource material for young children that's fun, flexible and extremely user-friendly.

Each *Tiddlywinks* Big Book contains 25 Bible based activity sessions. Each session provides a range of activities for you to choose from to create a fun learning experience for your group. Activities include play activities, games, making, story, rhymes, songs, prayer ideas plus a photocopyable activity page.

As well as giving you material which can be adapted to work in almost any group of young children, there is also help for group leaders to make your group fun.
