Location: **Olkinyei, KENYA**

Mission: **Church planting and Scripture distribution**

A feeling of deep wonder and thankfulness overawed my soul. Just a few minutes earlier I had been saying to our Beloved, as I listened to the song 'Gratitude,' that I would indeed throw up my hands and praise Him again and again, if I weren't driving the Land Rover! I had only said these words when I reached the top of the hill and saw straight across from me four large elephants approaching the 'road' that we, along with the community and the local government primary school, were making for the local children so they could walk more safely to school from the hills and through the valley (granting the children a wider field of vision with the hope that they will be able to detect any nearby wildlife). Heartfelt gratitude for our Beloved's tender kindness was bolstered with 'Hallelujah' being voiced in the background as the song continued to play ... and how I praised our LORD. As Gary was coming behind in the digger, he didn't see the elephants, but I asked our Father that He would graciously grant Gary, and all who were working on the road, to also see them. The next day our Father wonderfully granted that all would see His impressive creations walk across the 'road', just up from the seasonal river where tradesmen were making a concrete drift for the children to cross. The concrete drift is now completed and we are in the process of daily transporting water to assist with the curing of the concrete. Of course, little thorn-prick troubles annoy, but our Father helps us through each situation and difficulty, and His grace is enough.

Truly the mercies of our LORD are new every morning!

**MARCH 2023**

Despite exceptionally hot days, our Father has graciously sent rain in our area of Maasailand and beautiful greenery is starting to blanket the ground and canopies. We are so appreciative of our Father's goodness.

Bible Study is being held each Saturday and we are so grateful to our Father for each one He brings along, for the questions asked and for the desire to know more. This last week we studied Ahithophel, and there was great interest in his story and the lessons we can learn personally from his life, alongside learning more of who God is and His amazing grace. From this life story, there is enthusiasm to learn even more about Absalom's life story and this will be studied, God willing, this incoming week. Furthermore, we give thanks for the Worship Leaders and Evangelists who, alongside Gary, teach and preach. We also rejoice that each month the church families from within Olkinyei come together for a service of prayer.

### Prayer Points

- Rejoice with us in the continual goodness, faithfulness and mercy of our LORD, whose steadfast love never ceases.
- Please pray that God's Holy Spirit will continue to work mightily in this place, for His glory and the exalting of His Holy Name, and that many will grow deeper in their knowledge of our LORD and desire to live fully and unconditionally for Him.
- Please remember the weekly Bible Study and Sunday Services that God will teach through His servants and that His Holy Spirit will prepare the hearts of all who come.
- Please remember our children as we are apart from each other, that they will be drawn even closer to our Beloved and desire to live fully for Him. Thank you.
