Aaron House

... is a Residential Care Home in Dundonald for people with a profound Learning Disability. Referrals for occupancy and respite care come from both the Belfast Health and Social Care Trust and the South Eastern Health and Social Care Trust.

Accommodation

Aaron House provides accommodation for 14 permanent residents and has two respite beds.

Management

Aaron House is managed by the Board of Social Witness (responsible for residential services) and Oaklee Housing Trust (responsible for the building).

Day Care Unit

Attached to Aaron House is an independent Day Care Unit that can meet the needs of up to nine people daily.

Transport

Aaron House has its own transport suitably adapted for the residents which enables them to have regular outings and trips.
