'Give thanks to the Lord, for he is good; his love endures for ever'
Psalm 107:1

The last year has been quite a journey and I am so very thankful to the Lord. I have just been given medical clearance to return to Zambia, and hope to do so at the end of August, 2023. While I am very excited, I am also a bit apprehensive too after being so ill! I am so very grateful for all the prayers and support over the last year from all of you!

The last few months have been good, meeting family and friends and having time to enjoy the good weather we have been having.

In Zambia, teachers continue to do their work faithfully and joyfully as they engage with the children in the Early Childhood centres each day! I am so looking forward to spending time with them when I get back, and thinking about how we move forward with the Synod Early childhood programme!

GLOBAL DISCIPLES
Go Deep Go Wide

JULY/ AUGUST 2023

The General Administration Committee meeting (GAC) will be held in Lumezi in August, 2023. I will write a report to the GAC regarding Early Childhood Development in the Synod.

Thank you for your continued support. Keep updated with my life and work by checking my blog...www.dianecusick.blogspot.com

Please pray:

- For Diane as she begins to prepare to return to Zambia and especially that the medication she requires will be easy to access.
- Pray for the teachers in Zambia as they continue the work with the young children in their care.
- Pray for the CCAP Synod of Zambia as they have their General Administration Committee meeting in August and for Rev S Kabaghe the General Secretary as he guides the process.
