Location: **Lusaka, ZAMBIA**

Mission: **Early childhood education**

*'Yes, my soul, find rest in God: my hope comes from him. Truly he is my rock and my salvation; he is my fortress, I will not be shaken.'*  
*Ps 62:5-6*

I am so thankful to be able to write a prayer bulletin again. As most of you are aware I suddenly became very ill shortly after I came back to Ireland for deputation. I spent 9 weeks in hospital and another 9 weeks with my brother and his family on the home farm near Armoyn.

I only managed to do one of my deputation appointments before I became ill. This made me sad as I was looking forward to sharing about the developments in Early Childhood in Zambia in the CCAP. I pray that God will give me another opportunity in the future to do this.

I want to say a very big THANK YOU to all of you and many others around the world for praying for me since I became ill. I have no doubt that God answered your prayers and I am deeply grateful to each and every one of you. Thank you for the get well cards, for the gifts and for the visits – all are deeply appreciated. This has been a humbling experience, realising that so many people around the globe have been praying for me.

**OCTOBER 2022**

I still have to have an operation in the next couple of months and would value prayer for that.

As I am gaining strength, I am enjoying taking short walks and using my camera again too.

Thank you for your continued support. Keep updated with my life and work by checking my blog...[www.dianecusick.blogspot.com](http://www.dianecusick.blogspot.com)
