

Derek and Jane French

Location: **Bilbao, SPAIN**

Mission: **Student ministry**

Since the end of January, a midweek course has started with the aim of teaching how to prepare and lead a bible study. The vision is to see capable leaders, starting up and leading small group studies in various locations across the city of Bilbao. The emphasis will be evangelism and teaching.

In March, Bilbao International Church will have a special St. Patrick's Day event, as a way to seek to reach out and share the gospel. Pray for the preparation of this event and for the church members as they invite friends and family to come along.

Pray that more people would be committed to coming along to the prayer meeting each week and seeing the importance of praying together for the church and for the city of Bilbao.

In our Sunday services, we have been looking at what it means to be a Christian in the workplace and how to live with integrity and faithfulness to God when it comes to honesty, moral standards, etc. Pray that God will work by his Spirit in people's lives so that they may stand firm for the truth and be a witness in their workplace, by how they work diligently, speak graciously and radiate Christ in their daily tasks and interactions.

GLOBAL DISCIPLES *Go Deep Go Wide*

FEBRUARY 2023

GBU publishing branch, Andamio has various resources (books and booklets) related to the theme of "Faith and the workplace", pray that these books would be widely read and would encourage and challenge Christians to be a shining light for Christ in their work.

Pray for the young people who attend the youth group in Sarriko church and for the leaders of the group. Christians are very much in the minority in schools, pray for these young people that God would give them the courage and passion to take a stand for Him in their class. Pray that God would help them to stand firm in their faith in the midst of their peers.
