Mission: **Church planting and Scripture distribution**

*"He has put a new song in my mouth - Praise to our God ..."* Psalm 40:3a

We bless and praise our LORD that during December, at Ewang'an Worship Centre, twenty-one believers were baptised by Rev. Peter Mwaura Kabaiku.

Furthermore, we rejoice that the first church service was held at the recently constructed nursery classroom at Empiris land, within Olkinyei, with seminars being held over a period of three days.

We are so grateful to our LORD for how He has blessed all these services and for how He is using both the evangelists and the worship leaders to reach out within their communities as they desire to see God glorified and His Kingdom extended.

The distribution of the Maasai and Swahili Bibles has remained ongoing throughout the months of December and January, with members of our church families trekking up into the hills and travelling out across the plains to take God's Word to family homesteads. Amazingly, seventy percent of the eighteen hundred Bibles have already been distributed to numerous homes and those receiving God's Word have been prayed with and are made aware that these Bibles are being given by the church family members because of God's great love for them. Due to heavy rains, it has been necessary to temporarily stop any further distribution, but much gratitude is given to our Father for His blessing on this period of distribution, and now for His blessing of rain.

### Prayer Points:

- Rejoice with us as we praise our LORD for His blessing upon the services where twenty-one believers were baptised, and where seminars were held at Empiris Land. Also rejoice with us for the distribution of God's Word among many homesteads within Olkinyei.
- Please pray for all the families who have received these Maasai and Swahili Bibles that God's Word will not only be read (and accordingly listened to by those within the family who may be illiterate) and understood, but will also bear fruit for God's glory and the extension of His Kingdom. May many come to believe in Jesus and then grow in their knowledge of Him.
