

## Steve and Rosie Kennedy

Location: **Cluj-Napoca, ROMANIA**

Mission: **Outreach and teams ministry**

And let us consider how to stir up one another to love and good works, not neglecting to meet together, as is the habit of some, but encouraging one another, ...  
Hebrews 10:24-25

If we had to sum up ministry right now, we would say 'deepening relationships'.

During the Easter break CCF had its first 'official' outing, as 6 of us went to a Michael W Smith concert. We all enjoyed the event, and the journey was great as well. It is obvious but as we have met more regularly friendships have deepened. We were so encouraged when twelve met together at our last Praise and Prayer gathering: not that long ago we were only four.

As more people have joined our fellowship we are thrilled to support them and by the time you read this we will have had our second CCF baptism. What a privilege to be part of these important events in the lives of families and their faith.

Despite the odd bump and glitch inevitably encountered when working in a multicultural/multilingual setting, we see progress in our work with the Ukrainian community and Valeria, our Project Coordinator. We assist her in the delivery of programmes for Baby & Mum Club and After-schools Club, work alongside volunteers and liaise with the staff of Tóköz on practical matters, all to ensure that effective programmes are delivered for the Ukrainian community.

## MAY 2023

Looking ahead, now is the time to begin planning for the Summer. In July we are coordinating an English Bible Camp, which will bring together a collaboration between Exodus (Youth Discipleship Ministry) and IKE (Youth Board of the Hungarian Reformed Church). Plans are well underway with registration starting this month. Some online meetings for the whole team are anticipated beforehand. In August, we hope again to run our Holiday Bible Club in CCF-Tóköz.
