### A Game Changer

Last month, 165 delegates met for the first Theological Education by Extension (TEE) conference organized by the department. It was a golden opportunity to meet with the parish coordinators and to hear, through their testimonials, the impact TEE is having on the lives of our students. Imagine the encouragement the whole team received as you read some of the comments below:

“The beauty of having The Crossing course in schools is that it reaches out to other children from other churches and community. Whereas in our Sunday School we minister to Presbyterian children, in schools you reach out to others. Those children who have graduated are doing exploits in the high schools they are in. I call upon all parishes and congregations with schools to see how the Crossing course can be introduced.”

“- Will sell the idea to our parish educational centre. Two are better than one, what an eye opener conference that made us share ideas as we do mission.”

“This conference was very much appreciated. Information is power. We invested and we trust we shall see the returns by transforming our parishioners and the society at large.”

“It was such a wonderful time being together and the learning was awesome. Trusting God for implementation.”

“In my parish we are starting the first class after this.”

**GLOBAL DISCIPLES**  
*Go Deep Go Wide*

## OCTOBER 2022

“May God help me to restart the TEE programme in my parish.”

“We are better empowered in knowing Jesus Christ and making Him known.”

“Given maximum support, TEE is a very important arm in the church to equip believers.”

The TEE community hopes to continue sharing their thoughts and best practices through the group chat. We are grateful for their willingness to assist the department in bringing more people on board – with the aim of building a stronger network among the coordinators.

### Prayer Points

- 1 Thessalonians 5:11 says, “Therefore encourage one another and build each other up, just as in fact you are doing.”
- Praise God for the TEE conference and for all who were blessed by it. Pray for the delegates as they inform church members about the benefits of taking part in a programme.
- Ask that many new TEE groups will begin all over the country.
- Pray for a stakeholders’ meeting to review the feedback received and as we continue the discussion of ‘what next?’ for the writers to focus on.
- Pray that those on the TEE staff, writing team and board will be encouraged in their work.
