

Read the verses & discuss the key concept about love in the context of the verses. Write your conclusions about their practical meaning.

Concept	Reference	Practical meaning
Sincerity	Romans 12:9	Over time we have learnt how to pretend to love others – speaking kindly, avoiding hurting feelings and appear to take an interest in them. Being sincere in love means not pretending but giving your time and energy to really truly show love to others in school, home or neighbourhood.
