daily family prayer & worship activities from

Teddy Bear Prayer

This is ideal for those with little children (you could get any older kids to look up the Bible verses). Everyone needs a cuddly toy to hold. Teach the response line (in bold) and show that in the first half we cuddle the teddy to remind us of God holding us and in the second half we lift the teddy up to show how God holds us out to other people.

Nothing can separate me from your love, Father God. *(Rom. 8:39)*

Thank you for your love! *[cuddle teddy tight]*

You lavish your love on us, and call us your children. *(1 John 3:1)*

Thank you for your love!

Your love lasts forever and your kindness never fails. *(Jer. 31:3)*

Thank you for your love!

You love everyone in the world and sent Jesus for all. *(John 3:16)*

Thank you for your love! *[hold teddy up]*

Help us to love those who are difficult to love. *(Luke 6:35)*

Thank you for your love!

Help us to love like you love. *(John 15:12)*

Thank you for your love!

This song tells the story of a time when Jesus hugged children who came to him: <https://youtu.be/Q-nGMqkLb0I>

"See what great love the Father has lavished on us, that we should be called children of God! And that is what we are!" *(1 John 3:1)*

TODAY: Pray for someone who is grieving right now.
