

Church Planting

across Ireland

New *life*

Pray for new life in Christ to come to men, women and families across Ireland.

New *people*

Pray that new believers grow in Christ with a desire to share the Gospel, maturing into church planting leaders.

New *places*

Pray for new burdens for church planting to be placed on congregations north and south.

Church Planting *Panel*

Pray for wisdom and strategic awareness for PCI's church planting panel.

Pray for its relationship with **Presbyteries, General Assembly and Union College** as we seek to develop wider awareness of the task.
